

Privacy notice to Legislative Decree 196/2003 and art.13 of the European Regulation 679/2016 (GDPR)

Darton S.r.l. (VAT NR 05328060966), in person of the legal representative pro tempore, with registered office in Via G. Di Vittorio,307/2- 20099 Sesto San Giovanni (MI) , as data controller, informs you that, in compliance with Legislative Decree 196/2003 and the European Regulation 679/2016 (so called GDPR) which regulates the protection of personal data and their free circulation, your personal data will be treated in compliance with the aforementioned legislation, based on the principles of correctness, lawfulness, proportionality of interests and transparency as well as the protection of your privacy and your rights, for the purposes, with the methods and terms and conditions indicated below.

1. Propose, methods and legal bases of data processing

This privacy policy applies only to online activities of this site and is valid for visitors/users of the site. It doesn't apply to information collected via channels other than this website. The purpose of the privacy statement is to provide maximum transparency regarding the information that the site collects and how it's used.

Your personal data will be processed exclusively for purposes strictly connected, instrumental and necessary for the fulfilment of the obligations relating to relations with our Company and sending through email of our commercial newsletter.

In particular:

The processing of personal data is carried out by means of the operations indicated in the Legislative Decree 196/2003 and art.4 nr .2) GDPR and precisely:

collection,registration,organization,conservation,consultation,processing,modification,selection,extraction,comparison,use,interconnection,blocking,communication,cancellation and destruction.

The processing of personal data will be carried out through computer support by the owner, the manager/managers and the subjects authorized(entrusted) with the observance of every precautionary measure, which guarantees its security and confidentiality. The data will not be the object of profiling or the subject of automated decision-making processes.

The data will be stored by the data owner and data controllers designated by the data controller. In any case, your personal data will be stored and processed within the borders of the European economic area and will be transferred outside that boundary only by your explicit consent by the mail chip provider for newsletter sending.

In case of conferment by you of comments and /or personal data for the request for information and /or specific services requested by the user (by way of example and not exhaustive request for commercial information, registration to our portal, registration with ours newsletter), these data are voluntarily provided by the user with requesting service delivery. Inserting a comment or other information the user expressly accepts this privacy statement. This site may process some personal data based on the legitimate interests of the data controller as provided in Legislative Decree 196/2003 and by Art.6 of the European Regulation 679/2016.

The data collected by the site during this operation are used exclusively for the purposes indicated above and kept for the time strictly necessary to carry out the specified. In any case, the data collected from the site will never be provided to third parties, for none reason, unless it's a legitimate request by judicial authority and only in the cases provided by law.

2. Nature of data collection and consequences of failure to provide data

Like all websites, this site also uses log files in which **collected information is automated stored** during user visit. The information collected could be the following:

- Internet protocol (IP) address;
- Type of browser and device parameters used to connect to the site;
- Name of the internet service provider (ISP);
- Date and time of visit;
- Web page origin of the visitor (referral) and exit;
- Eventual number of click

The above information are processed in an automated form and collected in an exclusively aggregated form in order to verify the correct operation of the site, for security reasons and for the legitimate interests of the owner provided for by current legislation. For security purposes (spam filters, firewall, virus detection), the automatically recorded data may eventually include also personal data such as IP address, which could be used, in compliance with applicable laws, in order to block attempts at damage to the site itself or to damage other users, or in any case harmful activities or constituting a crime. Such data are never used for the identification or profiling of the user, but only for the protection of the site and its users and the legitimate interests of the Owner of data processing.

By using or consulting this site, visitors and users explicitly approve this privacy statement and they consent the processing of their personal data in relation to the methods and purposes described below, including any diffusion to third parties if necessary for the supply of the service. The achievement of data and therefore consent to the collection and processing of data is optional, but denying consent may result in the inability to provide certain services and browsing experience on the site could be compromised. The consent to the use of your data for marketing and/or advertising purposes (sending e.mail and/or communications with advertising offers) is optional and requires on its part, in addition to achievement of your personal data also explicit request by opt-in in function on present website.

3. Timelines and terms

The Data controller, the data processor and the person authorized to process the data will process personal data for the time necessary to comply the aforementioned purposes and, in any case, for no more than 10yrs from the stop of the relationship where envisaged or made necessary by the current regulations. Referred to the data achieved for the receipt of commercial information, newsletters and periodic information, the data will be processed until your request for unsubscription.
